

Improve Communication with Parents (Building Goal)

Start Date	9.20.24
End Date	5.9.25
Goal	Teacher will work collaboratively with parents in order to improve student behavior and/or academic achievement. Throughout the school year, the teacher will keep parents informed about student behavior (both positive and negative) and academics (both positive and negative). The contact log must be completed and uploaded to PIVOT by May 9, 2025.
Action Steps	Distinguished: Teacher will provide a parent contact log with <u>30 (+) contacts</u> throughout the year (approximately one per week). The log must include date, time, student's name, phone #, and one sentence summary of positive event. In addition, the teacher will include a minimum of <u>one comment</u> on semester report cards for every student who earns a 'D' or lower. Proficient: Teacher will provide a parent contact log with <u>20 (+) contacts</u> throughout the year (less than 3 per month). The log must include date, time, student's name, phone #, and one sentence summary of positive event. In addition, the teacher will include a minimum of <u>one comment</u> on semester report cards for every student who earns a 'D' or lower. Basic: Teacher will provide a parent contact log with <u>10 (+) contacts</u> throughout the year (approximately one per month). The log must include date, time, student's name, phone #, and one sentence summary of positive event. In addition, the teacher will include a minimum of <u>one comment</u> on semester report cards for every student who earned a failing grade.
